

COOL Remixed

BAY AREA URBAN ART
AND CULTURE NOW

May 17 – Aug 17, 2008

This exhibition updates the conversation about cool, featuring graffiti, DJs, lounges, street fashion, scraper bikes, video, skate culture, and artwork created on a range of media—from car hoods to sneakers. The show is organized by the museum, in conjunction with EBAYC, Town Park, VAAMP, Visual Element, Youth Radio, Youth UpRising, and the artist Estria.

Cool Remixed: Bay Area Urban Art and Culture Now is made possible by generous support from the Oakland Museum Women's Board and The Bernard Osher Foundation. Media sponsorship provided by the East Bay Express.
